THE 2ND WEDNESDAY OF EVERY MONTH (Sept.-April)

The following issue of this month's Buzz newsletter was written by one of our past Presidents to help get the volunteers to come forward and prevent us from closing down the club and dispersing all assets please come to the next meeting

“Anybody, Everybody, Nobody, Somebody”

The Sno-Bees experienced a brief but challenging 2010 season: low snow, meltdowns, breakdowns and an abnormally early spring. Now that summer is waning, the 2011 season just around the corner.

Thanks to all who helped in the past, whatever you contributed is greatly appreciated. However, our club is at a crossroads. Maintaining a trail network is a year round challenge: thanking landowners, pending legislation, building bridges, insurance, elections, etc.

If you enjoy snowmobiling from Barre, we need your help now and in the future: we need officers, trail trustees, administrative support, website etc.

Anybody can help. Everybody assumes somebody will step up to the plate to do the job. If nobody comes forward to do what anybody can do, the Sno-Bees as we know them will cease to exist.

Please be a somebody who comes forward to do what anybody can do, if you expect to snowmobile from Barre next season. Everybody will thank you.

Sincerely,
Scott Lange
