THE 2ND WEDNESDAY OF EVERY MONTH (Sept.-April)

PRESIDENT'S MESSAGE

This winter has not been the best for snowmobiling the snow conditions have been poor once the thaw hit in January and it wiped out our riding on the Sno-Bees Trails along with all the riding in Washington County and most of the State of VT with the exception of the most northern sections of the northeast kingdom !

Although our season has been poor for the last 6 weeks or so I would still like to add the clubs Piston Bully PB200 has been running every possible day and night when we have had snow to keep our trails as smooth as possible. The amount of work it takes to produce a smooth flat trail free of downed trees and limbs days after receiving snow has to be experienced to appreciate it. As I write this newsletter we now have snow cover again in our area and a big thanks goes to our volunteer groomer operators led by Dave Watson, and his assistants Tim Stone and Jim Rogers for keeping our trails in the smoothest condition possible and clearing the downed tree's brought down by the high winds this season.

Be sure and get out and ride this weekend and hopefully the weather will cooperate and allow us to have a decent finish to our season in March.

Trailmaster Justin Jennett Would like to remind everyone to ride carefully and be aware of trees and limbs brought down by the recent high winds we had last week.

Membership Chairperson, Patti Booska, Would like to thank Lionel & Tina Cyr and Jean Perrigo for all there help this season processing TMA's it is large job to get all our club memberships processed and a big thank you goes out to these volunteers for making it happen..

And don't forget Saturday March 6th be sure to ride over to Sicorp in Groton and help yourself to Paul Plante's famous five fart chili the family camp is opened up for everyone who wants to sample a bowl of Cookies famous chili.

Also coming Saturday March 20th is the Sno-Bees annual poker ride come to the Bee Hive and participate in a fun annual event.
