### **PRESIDENT'S MESSAGE**

I think we can all agree that the season has officially arrived here in Central VT. We've received a few inches of snow periodically throughout the last two weeks, which has definitely accumulated. The groomer's been going hard and strong, as have the grooming crew. These guys deserve a big thumbs up for their enthusiasm, dedication, and the job they do on the trails. These guys are the best around and we all owe them a big THANK YOU! Next time riding by our guys in our groomer give him a big thumbs up to show your appreciation. It's the least we can do, and they'll appreciate being recognized.

You'll note that we've changed our meeting time to begin at 7:00pm rather than the usual 7:30pm at the Hilltop. We felt that the meetings were too tight and had potential to run into the late evenings, so we are backing it up a ½ hour. This should, more times than not, get us out by 9:00pm or earlier and still have time to ride or convene at the Bee Hive after the meeting. Our only request is that we ask you to be there on time, so that we can begin on time without interruptions. It just makes for a better run and fun meeting.

Thanks to you all.

In regards to the meetings, I wanted to mention again, that the agenda we follow at these meetings is open to guests and the membership. If you have something you would like to discuss and want to be put on the agenda, please call me and let me know. This also helps for a better run meeting.

A big THANK YOU to all that have helped out with the new addition of the lights at the Bee Hive. Norway & Sons for donating the lights, Ken Robinson, Scott Collins, Lionel Cyr, and Donald Bellavance for getting them installed. They look great, good job guys!!
