THE 2ND WEDNESDAY OF EVERY MONTH (Sept.-April)

PRESIDENT'S MESSAGE

So far this winter has been one of the best for snowmobiling we have all had the last few years. Excellent riding conditions have been had by all thanks to our Piston Bully PB200 running every possible day and night to keep our Sno-Bees trails as smooth as possible. And big thanks goes to Dave Watson, Tim Stone, Jim Rogers for running the PB200 and keeping our trails in the smoothest condition possible this season.

While riding / working this past Sunday with Mike Perrigo, the Sno-Bees treasurer, we were combining some riding along with a few sign repairs and we headed out our notch trail 254C in search of some lunch and were rewarded when we found it in East Orange. Judy's Kitchen is just the right pit stop for getting out of the cold and getting some good food for lunch or supper open every day that riding can occur it is a must try for everyone riding in our area. Judy's reminds me of a small clubhouse in Canada where you can park the sled get warmed up and grab some lunch or a snack before heading out again.

Judy's can be accessed from the north by riding from Sno-Bees intersection / WN94 of the Mountain Trail / Rte 302 and the Notch trail / Rte 254C head down 254C to intersection / OE94 where Rte 254C meets Rte 25A in East Orange turn RH onto Rte 25A cross the bridge and your there.

Trailmaster Justin Jennett Would like to ask all riders to please stay right and be cautious for downed trees while riding VT's trails this winter. Trees can give up to the weight of heavy snow and fall at any time during a Vermont winter. We all know there is a lot of tree breaking wind that also goes with snowmobilers' favorite season. Justin says to always abide by the trail signs and come to a complete Stop at all road crossings. A collision between a motor vehicle and a snowmobile is never good for the snowmobile rider. Cross highways with caution.

Membership Chairperson, Patti Booska, says you can pick up your TMA at any of our club sales outlets when visiting our area or order it online prior to your trip to Central VT from the Sno-Bees official website 24 hours a day. As of last month's meeting our membership has exceeded the 500 mark and still climbing!

Fundraising for our Club is also off and running. As you all know, it takes substantially more monies than just your **Club** dues to make this all work. I would like to thank everyone who helped make our 2009 **Official Sno-Bees \$100 Dinner Raffle** held at the **Canadian Club** on Friday January 16th a success this year -- from Adam Spaulding, Tina & Lionel Cyr, Mike Perrigo, Justin Jennet, and John Plante who made the phone calls to get the membership to turn out for the raffle and helped me to run the event, and to all the people who spent their hard-earned money to support the club. It was a great time and I am looking forward to this event next year. A big Thank You goes to Paul "Cookie" Plante for being the master of ceremonies for this event. Thanks to Ron Plante for supplying the club with wine to give out as prizes during the raffle and for selling tickets and collecting money for the club at his store Brookside Store and Deli.

And with the current economy, space is still available for our sponsor board for just \$250.00. The ad is on our board for the season at a major intersection and also on the club website for the entire year. Please see John Plante or Mike Perrigo if you're interested or just mail your check with a business card that you would like your ad to look like and we will get up onto the board!

Come to our February meeting and see if your ticket is a winner in our \$20.00 raffle

Ride Safe

Thanks Jim Morrill President
