## PRESIDENT'S MESSAGE

This winter has been one of the best for snowmobiling we have all had the last few years. Excellent riding conditions have been had by all thanks to our Piston Bully PB200 running every possible day and night to keep our Sno-Bee trails as smooth as possible. And a big thanks goes to Dave Watson, Tim Stone, Jim Rogers for running the PB200 and keeping our trails in the smoothest condition possible this season.

Our season is quickly coming to a close for this year with the recent warm weather. Our trails will be closed this week, and unless we receive a substantial snowfall in the next week or so, riding for our club and the entire Central VT area will be ending. The only exception for spring riding is the Orange Park and Ride and the ability to ride to gas or food will be very limited

Come to our March meeting and we can at least talk about our season this year and the good rides we have all had this season also be sure to wear your mud boots because spring has arrived at the Bee Hive.

*Trailmaster Justin Jennett* Would like to thank all trail trustees for there support and remember to pickup there trails as soon as possible once April arrives

*Membership Chairperson, Patti Booska,* Would like to thank Lionel & Tina Cyr, Jean Perrigo , Marc Cote' for all their help processing TMA's this season it is large job to get all our club memberships processed and a big thank you goes out to these volunteers for making it happen..

A big Thank You goes to Paul Cookie Plante for cooking up his five fart chili and opening the family camp up to everyone who wants to sample a bowl of his famous chili.

Come to our March meeting and see if your ticket is a winner in our \$20.00 raffle

*Thanks Jim Morrill President*
