PRESIDENT'S MESSAGE

This winter was one of the best for snowmobiling we have all had the last few years. Excellent riding conditions have been had by all thanks to our Piston Bully PB200 running every possible day and night to keep our Sno-Bee trails as smooth as possible. And big thanks goes to Dave Watson, Tim Stone, Jim Rogers for running the PB200, and our trail master Justin Jennett and his group of trail trustees for providing the most awesome trails in the Central VT area.

My first season serving as Sno-Bees President comes to a close with our April meeting and I look back at the season past and think of the problems we as a club had to solve to keep our trails open and allow the members to have the best marked and groomed trails we could give them. It can seem overwhelming for one person alone to accomplish, but working together always seems to work out. My thanks goes out to the other officers and club trustees that made it happen this past season.

Come to our last meeting for this season and join the club for potluck and camaraderie. Also you can hear first hand how our new trail search is going -- the spring and summer seasons are the time of year to make a new trail reality.

Trailmaster Justin Jennett Would like to thank all trail trustees for there support and remember to pickup there trails as soon as possible

Justin is going to take a couple months off before starting work on the trails for next season. Please contact Justin or myself if you are interested in getting a little exercise helping to cut brush and get our trails ready for next year. Normally this consists of a few hours once a week after work

Membership Chairperson, Patti Booska, Would like to thank Lionel & Tina Cyr, Jean Perrigo, Marc Cote' for all their help processing TMA's this season. It is large job to get all our club memberships processed and a big thank you goes out to these volunteers for making it happen.

This is my last newsletter until next September. Hope you and your families have a great summer. We will look forward to riding and working with all of you next season. Thank You to all the officers and trustees for their help and hard work. Also thanks to all the membership for supporting the club with your membership and support.

Come to our April meeting and see if your ticket is a winner in our \$20.00 raffle
