7:00 pm @ the Bee Hive

THE 2ND WEDNESDAY OF EVERY MONTH (Sept.-April)

PRESIDENT'S MESSAGE

I hope your summer was the very best it could be for you and your family. It's September already with the kids back to school and it's time to start our preparations for the snowmobile season.

If you're interested in helping your club mark sign and maintain trails, or help fundraise and organize club activities, please take time to attend a club meeting and volunteer your services. Even if all you can donate is a few hours, we would like to hear from you. VOLUNTEERS are what make our statewide trail system a reality and without you taking time to volunteer or get involved, the cost of riding will rise. The Sno-Bees are currently running very short of volunteers to help make our trail system function and the few that are volunteering are doing way too much so we can all ride.

BE SURE TO TAKE TIME AND MARK YOUR CALENDER'S TO ATTEND THE ANNUAL VAST MEETING AND TRADE SHOW HOSTED BY WASHINGTON COUNTY SATURDAY SEPTEMBER 12TH AT THE BARRE CIVIC COMPLEX STARTING AT 8AM AND GOING TILL 5PM. The BOR will have groomers, food, dealers from all four brands of sleds, along with plenty of clothing and accessories, bouncy house for the kids and a jousting ring along with video games and groomers. Food provided by the expert cooks of the Northfield Snowmobile Club, plus the price of admission is free.

The annual meeting will be held in the Barre Auditorium and it is open to all VAST members. The balcony will be open if you're interested in seeing the meeting process. Also if you are interested in being a voting delegate representing the Sno Bees and Washington County, please attend our September club meeting and just ask any of the officers about being a voting delegate.

Trailmaster Justin Jennett Would like to ask all members to inspect the trails near their homes for water damage or downed trees and call or email the club. Trail work will be getting under way in September starting Sunday September 13th Meet at the Beehive at 8:30 AM -- the club will be meeting every Sunday thru September at the Hive rain or shine. If you can volunteer to help on trail maintenance, just come up any Sunday in September to help. Even if you can help for a few hours, please come and help your club prepare for the season. Be sure to bring work boots and gloves see you there.

Membership Chairperson, Patti Booska, says the TMA's will be available starting towards the end of October changes are coming in both the TMA forms and the cost depending on the outcome of the vote during the annual VAST meeting.
