***THE 2<sup>ND</sup> WEDNESDAY OF EVERY MONTH (Sept.-April)***

## PRESIDENT'S MESSAGE

Wow we are getting close to the start of our favorite season and it will not be long before we will all see the white stuff on our trails. Hopefully Mother Nature will bring us plenty of snow this season. A lot of work still has to be done before the groomer rolls our trails and officially opens them for the season on December 16<sup>th</sup>. All the Sno-Bee trails need to be checked, cleared of downed trees, and signed before the start of the riding season so please step up and volunteer to help your club do its part.

Time has not run out for you to volunteer to work on trails alongside your other Sno-Bee members and earn your chance for a free TMA! Our volunteer turnout on club projects this year has been very low. The club badly needs some new volunteers to help the same old trail workers. Come out and earn your chance to get a free TMA and also help out your club. VAST has expanded the time period of what used to be called "volunteer weekend", and this year everyone has until December 15<sup>th</sup> to help your club accomplish needed trail work. If you're interested, come up to the hive any Sunday at 8:30 AM. Our trail master along with several other officers / directors and members will be there to work with you on whatever project needs to be done.

Fundraising is off and running to help the Sno-Bees raise funds to sign, construct, maintain trails, and keep the groomer running. Our \$20.00 monthly raffle is now in high gear. Come to our meeting and purchase your raffle ticket or see Lionel Cyr, chair for this raffle.

***Trailmaster Justin Jennett*** Would like to thank all trail trustees for their support and remember to check your trails and mark them before the start of the riding season on December 16<sup>th</sup> this year. Justin would like all the trustees to be sure and check the landowner list and be sure their list is up to date. A complete list can be found on the bulletin board at the hive. This is needed club information for landowner appreciation and helps the club plan on the cost for this important project.

Due to the efforts of trail trustee John Berkley walking his section of trails this fall the club has plenty of time to arrange to have the bridge John found in the brook off the Middle road in Plainfield repaired.

***Membership Chairperson, Patti Booska,*** Has TMA's on sale now at all the usual club sales outlets as well as on the club website. Be sure to purchase yours before the start of the season to receive the early bird discount.

Come to the November meeting purchase your raffle ticket spend some time with people who have the same outdoor interests that you do and hear about what's going on with your club and have some fun. Hope the hunters from our club have good luck this deer season.

See you on the trails.

***Thanks Jim Morrill President***
