THE 2ND WEDNESDAY OF EVERY MONTH (Sept.-April)

PRESIDENT'S MESSAGE

I am writing this November 25, 2008 from deer camp in Averill. There is 6 inches of snow on the ground here at camp Almost Home and more coming down. In northern NH at the higher elevations the snow goes to your knees! My wife tells me there is snow cover back in Barre but with rain predicted most of it will melt. Hopefully this is a sign and the snowmobile clubs can start our season in central VT on time this year. Our season opens Tuesday, December 16th. Remember if you do get out at the beginning of the season, ride with caution. Also, I would not recommend riding on any of our trails that do not yet have groomer tracks on them. Come out to the club meeting at the hive this month and kick your season off -- even if we don't have snow, we will all be talking about the season to come.

Trails Coordinator, Justin Jennett, Justin would like to pass along to all the trail trustees to contact him if you have any problems marking your trails or have a problem that you need help solving. Just call or email him. Our new Trailmaster is working every spare minute to have the trails ready for everyone to ride starting December 16th.

Membership Chairperson, Patti Booska, Remember to purchase your early bird TMA before December 16th and save\$\$\$. Club memberships / TMA's are available at all our sales outlets as well as online.

Fundraising for our Club is also off and running. As you all know, it takes substantially more monies than just your **Club** dues to make this all work. We will have our **Sno-Bees \$20 Monthly Raffle Tickets** for sale this month. Please look to those **Sno-Bees Members** who have them for sale. If you need one, call Lionel Cyr he can get one for you if they're not already sold out. Also, the **Official Sno-Bees \$100 Dinner Raffle** will be held Friday night January 16th starting at 7PM again at the **Canadian Club**. Last year was a great time and I am looking forward to the event this year. The tickets will be available by our next monthly meeting and it includes a steak dinner for two. Call or email Jim to get one.

Groton State Forest New Proposed Trail
